MEMORANDUM FOR: Director of Information Services

FROM: Daniel C. King
Director of Logistics

SUBJECT: Information Services Centers

REFERENCE: Memo for D/OL fm D/OIS, dtd 7 Mar 84, Subj:
New Building Information Services Centers

Your proposal contained in the reference is acceptable to us. Our request for full-time representation beginning in April was based on ignorance of the advanced status of the Ames Building Information Services Center and the perceived need to deal with some of the issues that apparently will be resolved by May.

/s/ Daniel C. King
